knowledge. As a part of co-curricular and extracurricular activities we have huge infrastructure to prepare students for state level and national level events such as seminars, conferences, workshops, sports etc. SSBT aims at not only educating the young to be successful Professionals, managers and entrepreneurs but also to make them socially responsible human beings of tomorrow. I convey my best wishes to all the students and their parents for good education and successful future.

Shram Sadhana Bombay Trust

Shram Sadhana Bombay Trust (SSBT) is established in the year 1972, under the guidance of our founder chair person, Smt. Pratibha Devisingh Patil, the former President of India. The Trust has unique vision to impart education in sectors like Engineering, Technology Management and Pharmacy. Shram and Sadhana is omnipotent, and this is our embodiment in an enrichment.

The SSBT runs College of Engineering & Technology and Institute of Pharmacy at Bambhori, Jalgaon (MS). 25 acres of lush green campus of the college is located on the bank of meandering river Girna. It is just about 7km from the Jalgaon junction railway station and central bus stand. Jalgaon is well connected by train with all major cities of the country and by bus with rest of the Maharashtra State. Ajanta and Ellora caves, the rich heritage of India are near Jalgaon and can be visited in a day. The Campus is well developed with all basic infra structural facilities.

Central Library

The college has well stacked library with extensive range of reference books, text books, magazine, news papers and educational CD's. National and International Journals are subscribed. E-Library consists of E-books and E-Journals. Automated Service, a computer aided referencing system is provided to locate the books easily. DELNET facility, reading room etc. are also available.

Classrooms

Class rooms are spacious, well-ventilated with natural light and adequate electrical facilities. Ergonomically designed furniture, teaching aids like LCD, OHP etc. are provided in teaching - learning process. The spirit of classroom training encompasses the fundamentals of theoretical and conceptual learning through interactive sessions of case studies, assignments, quizzes and presentation by students.

Finishing Classes

At SSBT we expect high level of politeness, decorum and personal presentation at all times. Our students are engaged with experts to learn the art of etiquette. The emphasis is on total personality development, social etiquette, confidence building, body language and accent training. External Agencies are hired to inculcate all these skill among students of our college.

Shram Sadhana Scholarship Scheme

We understand that achieving the best of pharmacy education requires equal financial support for aspirant candidates. Inflation Index has added pain to everyone in recent years and has equally impact overall cost of maintaining and running educational infrastructure. As a result, this equation is affecting many potentially strong and skillful students to undergo pharmacy education. Shram Sadhana Bombay Trust under active inspiration of Shri Raosaheb take care of its prospective students as well as students under education. We are glad to launch Shram Sadhana Scholarship Scheme to such prospective students.

Hostels & Staff Quarters

The SSBT has two in-campus boys hostels which accommodates 800 students out of which one hostel is for students of pharmacy and two in-campus girls hostel to house 350 girl students.
